Freedom Summits
3 November 2014 ·

Whilst the feedback around the speakers in Perth has been AMAZING....the real highlight of the weekend is without question, the 24 'Free to Shine' girls that the wonderful people of Perth sponsored at the summit. We are completely blown away by the incredible heart that our friends in Perth have shown....actually quite speechless. Outside of sayinng a massive THANK YOU....and setting the challenge now for our other cities.
